**I. Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the best option for each of the blanks.**

**FOLK MUSIC**

Pop music has always been influenced by other forms of music. An important form is folk music. Folk songs are the songs composed and sung by country people. The songs may be hundreds of years old, so nobody knows who originally composed them. Modern music is often music for dancing. In Britain it was traditionally played with instruments like flutes, accordion, etc. In the 1950s and 1960s the people who wrote songs and played them with acoustic guitars were also called folk singers. The songs were often “protest songs”, complaining of bad things happening in society.

**Câu 1.** According to the passage, what is modern music often used for?

- A. dancing                      B. singing only                      C. forming pop music                      D. playing with guitars
